**VERA FRENCH**  
Mental Health for Healthy Living

The voluntary Health Assessment and Support Program enrolls non-Medicaid individuals to help improve people's health habits with a goal of reducing the impact of Substance Abuse and Mental Illness in our community.

*Your*  
**ASSESSMENT TEAM**

The Assessment team advocates for client rights and choices and ensures our prospective clients receive timely access to care. The team aims to provide a high degree of customer service and outreach to all Vera French clients.
